a. DASCNA and DASCNACC need new EIN numbers. We have been using an old number that is no longer valid. An AD-Hoc committee was formed to do the research and bring back the information to the area. Some research was done but due to sensitive information will not be included in the minutes. Will be discussed further. Will revisit again once all the research has been finalized and can be taken back to the groups to vote.

b. A concern was brought up that the area has still not received an itemized accounting from the previous convention committee. A discussion was had that we probably got all that we will get because the convention committee was lacking a sufficient treasurer. **WILL REVISIT THIS MONTH (JAN)**

- **New Business**

a. A concern was raised about the up mark on the literature. The chair will ask the literature chair.
