Sectary

at this point I'm gathering flyers on the website so we can have them to take physically to the groups I printed out as many forms that were out there online I do not have an agenda for this meeting but I will have one for the next meeting also I need you guys email addresses because I don't know where to find them that is all I have.

Treasurer

we started off last month so and the main balance was \$3,323.64 I'll repeat \$3,323.64 we collected from the groups last month a total of \$522.00 let me repeat that again \$522.00 are expenses last month add up to \$1,107.09 ill repeat \$1,107.09 there is still an outstanding check in the amount of \$475 which will be turned in by tomorrow and so that left a balance in the main account a total of \$2,738.55 again \$2,738.55 in our activities account which went unchanged \$3,598.26. we went to the bank to sign Antoine in and they said the count was inactive so there is a change on this account we had to move over \$10 to keep that account active they said we are going to have to start doing something with that account because the money was just sitting there Banks typically have a problem with that so either I have to do something with the account and we wrote out a man to man check that came out of our regular checking account again we are going to have to start doing something with that activities account either start writing the checks out of the activities account and take a chance at being charged once it goes down we just have to do something with that account or add something to it every other month so again in that account the activities account the total amount is \$3,598.26 again I have Antoine signed up in on the account so we do have 3 signers on there again.

Chair

I reached out to the previous Secretary to find out if she would finish out her term seeing as though she is not here today we will move forward with the new secretary. I have printed out copies of the area policy to pass out to the groups subcommittees, I purchased some new items for our new secretary including a new printer pens markers a folder carrier all that good stuff that's all I have for this month in loving service Antoine

Vice Chair

as of right now talk to the Dakota Center Kiana who I deal with she was on maternity leave she just got back this week so I will get with her I talked to the nominee for the activities chair to see if we can work together and he stated he was not going to run anymore for the activities chair I have a small committee of about four people we have Willis to do the cooking I'm not requesting any funds until a month before the event because it does not take that long for us to do what we have to do I will turn in the event budget so right now we are planning everything we have most of the speakers we were debating if we were going to do shirts or not because it might not be feasible to do it we might just have a vendor come in and he gives us 25% of what he makes and that is really where we are at right now because we don't want to spend any money on t-shirts and we don't sell them that's all I have (and I will have a flyer out for nominations for a woman to woman so we have someone in place to do that for October that way we won't be behind the gun we have a chairperson in place and all of that).

Hospitals & Institutions

Phone Line

I just want to start by saying I am working on an active policy 4 phone line I cannot find one online anywhere I got some from online from other areas to incorporate what we need it's not something that I have ever done so it is going to look a hot mess but I will get it ready so it can be finalized also there is a learning day Training Day for the phone line April 20th at 3520 East 3rd Street Dayton Ohio from 2:00 to 4:00 p.m. anyone interested in the phone line I brought Flyers so if anyone is interested they can take back to the groups we do need support I don't have a committee even though I'm supposed to have a committee I cannot get people interested I'm not accepting new phone line committees until they go through the training because I heard some stuff that will blow my mind so I have these books I have these pamphlets for the phone line from World Service I'm ready to present a learning day on April 20th I will be there from February to March we did 38 calls inbound calls 19 51 minutes and 16 seconds outbound calls were 17 13 minutes and 56 seconds and the way I have the phone line set up right now is I have a person for each day to add to the phone line if they do not answer the phone it rolls over to my phone I always answer my phone as a matter of fact Waldo called me this month he called for the fundraiser that's my report loving service David
