Vice Chair

I talked with Brian W. yesterday to see if the church where they meet at would be suitable where there is space for the area meeting but I will reach back out to Jermaine to see if we can use the West Side Club and see if it's okay if we can get on the schedule for a whole year at least to see what's going on if that's what the groups want that's all I have, in loving service.

RCM

Hello family I'm an addict named Gary B. The regional meeting was held as hybrid it started approximately 10:13 a.m. call to order by the chairperson with a serenity prayer read by all members present readings of the 12 traditions by Ryan 12 concepts by Tom service prayer by all members present just for the day daily meditation read by Matt t. Old business the nominations from last quarter the motion 2024-17 was voted and passed business from previous quarter none and previous minutes none and no regional mail announcements for all upcoming events were made the meeting was adjourned 12:48. RCM meeting opened up at 3:00 p.m. with the serenity prayer by all members present discussions with RD and RD-alt being able to have our regions vote of confidence to make decisions at the Midwest Zonal Form as long as it doesn't change policy so they don't have to wait to come back to the regional meeting before they can have their vote, then we had a red round robin discussion with areas talking about what is going on in their areas. One area shared they had motions to try to start having conventions more will be revealed, another area discussed making new GSR packets to help new RCM's to help them with a service in their area to help better serve their meetings there was one minute asking how to get more participation at the area service and the meeting adjourned at 4:55 p.m., in loving service Gary B.

Subcommittee Reports:

Hospitals & Institutions

Recovering adding name Brandon let's see gateway we're looking for to assign a regular call facilitator and I address with them they need to show up to the subcommittee regularly Nova for Wednesday Nova we didn't go in the past two weeks before this last week due to the holiday but everything's been going well Woodhaven men is going well the men's facilitator is going out of town on the 23rd so we are going to make arrangements Woodhaven women's participation is good and they have a nutrition person coming in at the same time to Tara who was just assigned as the new facilitator is going to talk to the point of contact to see if we can straighten that out with them the coach reported great participation Nova Saturday had the same issue with the weekend it's low staff so the last 2 weeks but participation is good Mondays men they were told they can bring snatch which obviously it's whatever but they've been engaging in great. We had a new member Jason h and we're trying to give him a sign but his availability is next to nothing so I can see what we can do about them Jimmy w is interested in the county so I linked him with Eric so we can try to get him released so he can focus more on the literature office Antoine announced the regional meeting and I also address the training day with obviously with the phone line chair stepping out has changed those plans so I was going to bring it to the group again this month and we're going to just try to do our own day or training day or whatever two more follow with that and I haven't with the holidays I haven't had a chance to get with Sharon at the literature office so I still have the check from last month on my person I plan to do that this Wednesday we will not be taking a check this month obviously but with the holidays and everything I haven't had a chance to get with Sharon that's all. In loving service.

Public Relations

Hey family I'm a recovering addict name Marilyn this is the PR effort to remain active by connecting with the region and other area PR chairs by participating in a newsletter, the regional PR chair and a couple of the other chairs involved as created a newsletter for the region that's coming out every 2 months or every 3 months I'm not sure when but the first one is out it's on the ORSCNA website and I have it in my report as an attachment so that's something we are trying to just keep the PR efforts going by participating with other areas and we have also been working with a phone line subcommittee to ensure that the phonenumber is running smoothly as Steve said we had to go in and correct a couple of issues that the phone line was having when you call the phone line it wasn't responding as effectively as needed but we gone in with Steve and a couple of more people on the phone line and corrected that. So we have been working on the phone line as a public relations effort and also the public relations chair and the phonenumber chair is up for nomination this month so if anyone has anyone with any inspiration but we do need someone who is interested, I do believe we should create a flyer stating that those positions are open someone may have the willingness to serve in the spirit of rotation but thank you for allowing me to say and that's all I got. In loving service.

vacant / open position

Literature

This is as of 12-15-2024 literature / merchandise the amount is **\$8,997.92** money in the Bank is **\$2,178.71** cash on hand that total is **\$201.70** supplies your amount of **\$0.00** paid rent to the Dayton Fellowship Club **\$130.00** amount pending no pending amounts which brings our total for the Literature Office **\$11,378.33**, in loving service Sharon and Eric.

Convention

The balance in the account is **\$9,168.73**

Activities

My name is Donna I am an addict so the activities collaborated with the convention committee for the New Year's Eve event activities in that collaboration as discussed with the fundraising and entertainment chair to allow that, that we stop put our activity events on hold because it would be in conflict with the fundraising because they're trying to have as many events speaker jams or events as possible so I let the activities committee members know the committee has not disbanded or anything we're just in light of the convention and then once the convention has taken place our first event will probably be the second week in July that's what I'm pushing for some more information to follow we have money in our budget for an event but again to not bombard our area there's a lot going on that activities has kind of have that back to and kind of let fundraising take over each month and we will start our events again in July and I encourage activities members to help fundraising in any way they can in the act of service because it's service to narcotics anonymous not any particular subcommittee is more about making sure that we serve our primary purpose so I just wanted to let people know that's why activities has not asked for any type of event calendars but we will be having our first event July you probably taking July August September at least with one free event like we did last year probably in August so more information is to follow I'll pass. In loving service.
